## PARENTAL AUTHORIZATION TO TRANSPORT STUDENTS IN PERSONALLY-OWNED VEHICLES

STUDENT'S NAME \_\_\_\_\_

As parent/guardian of the above student who is licensed to drive a motor vehicle in the state of Oklahoma, I give my son/daughter permission to **drive** to extra-curricular sites in our district and to transport other secondary students in the same vehicle to practice sites. I realize and accept the liability I incur by allowing my child to transport other students in my vehicle. I also understand that the school district is providing transportation to practice sites and is not liable for any accidents or situations which may occur as a result of the operation of a vehicle by my child transporting other students to practice sites. As the parent/legal guardian I can revoke this authorization at any time by notifying the building principal in writing.
