Introduce you to the 2nd Annual 'Hudl Up QB Academy' being held in Norman this coming fall. This letter to you in hopes that you will pass it along to any High School or Middle School you think would benefit from attending our 2 day QB-only camp. The camp will be held at Norman High School on July 8th-9th.

Provide the most intense quarterback instruction available in this area. What sets this camp apart from the Midwest is the level of instruction. All instructors will be former college players and many of them D1. They will provide an aspect of instruction that is beyond the basic techniques. The topics of Quarterbacks include:

- Nebraska QB and 2006 Big 12 POY, coaches @ Texas A&M
- Nebraska QB and 2007 Gator Bowl MVP, coaches at Nebraska
- UCLA QB and now Denver Broncos Assistant
- Texas Tech QB, 2002 Big 12 POY, current Houston OC
- Colorado QB/WR, now coaches QBs at Stanford
- Iowa State QB/WR and now HS coach at S. Houston (TX) HS

One feature of our camp that is unique is that we will film all the campers as they go through the drills. At the end of the camp, the film will be made available to the campers online at no cost. This feature comes from Hudl Sports and their product called 'Hudl' (www.hudl.com).

We encourage you passing along the enclosed flyer to any quarterbacks at your school. Thank you for your interest and wishes to you, your staff and football team for a successful season this fall.
